ARIZONA STATE LEGISLATURE SCRIPT

VOICE SCRIPT:

Hello,

I come to you in a time of great need. I'm calling you to ask your office to consider that in light of the obvious fraudulent activity of this election that you convene a session of the state legislature to send valid electors to Congress to vote for President Donald Trump and stop the democrats from stealing this election.

The voter fraud is clear: across many states tens of thousands if not hundreds of thousands of votes suddenly came in with every single one going to Joe Biden. Along with this, Project Veritas has proven widespread election fraud in other states such as Texas and Minnesota. Detroit's ballot counting offices barred independent observers and blocked windows, clearly in an attempt to hide the fraud that is going on against President Trump.

It is clear that the true winner of this election is President Trump and the democrats will not be able to steal this election from the American people. You need to uphold the constitution and the right of the people to choose their president and the people have clearly chosen President Trump, but immense and clear voter fraud is taking place is attempting to steal this election. Do what you know is right, for people, for America: convene a special session of the state legislature and choose to send valid electors to congress in December.

Theft of this election will set precedence for all future elections. They're doing it now, they'll do it again. America's fate is up to you: stop the steal.

Thank you.

EMAIL SCRIPT:

Hello my name is [name], I am emailing you to bring to your attention the fraudulent activity in this election. The American people deserve a fair election and you have the power to make that happen: convene a session of the state legislature to send valid electors to vote for President Trump and stop the steal.

Multiple reports have emerged of voters being forced to use Sharpie markers by poll workers to fill out ballots which required the use of ball point pens to be valid.

Stolen ballots were found under a rock on the side of a road in Glendale. The postal service failed to meet the deadline on mail in ballots for Georgia, Florida, Pennsylvania, Texas, and Wisconsin.

Project Veritas has proven widespread election fraud in other states such as Texas and Minnesota.

This is a Bipartisan issue that all Americans are worried about. Our Republic is at stake, you need to do your part: convene the state legislature and give President Trump his rightful electors.
